DAY CAMP

Combining **the best of two worlds** - the adventure of an American Summer Camp and the security of home, Wonderland Day Camp is the solution for younger kids with working parents. Your child will learn English, sing, dance, play lots of new games and go on an exciting **whole-day sailing trip in Austria**. After last year's incredible success this year two trips:

FIRST TRIP:
16.8. - 20.8.

SECOND TRIP:
23.8. - 27.8.

Price: 125 €

WONDERLAND

American Summer Camp with Native Speakers

www.class.sk

Having fun and learning English at the same time? Yes, it's possible at Camp Wonderland! For the sixth year in a row, we are organizing the coolest camp in Slovakia. Your child will feel like having entered a completely different country where teachers speak only English, counselors help you roast marshmallows on an open fire and new friends might come from a far-away exotic kingdom or a nearby Slovak town.

FOR WHOM?

To make it a **truly international experience** Camp Wonderland welcomes not only Slovak kids, but also children from other European countries and ex-pats living in Slovakia. The Camp is for **kids from 9 to 17 years old**. They are split into groups according to age and language skills, so it doesn't matter if they have just started learning English or can already chat away.

Learning English is so much easier when you are having a good time. That's why we teach English through games and activities during morning lessons. And by playing, singing, chatting and simply having fun with the kids throughout the rest of the day, English will get under your child's skin, much similar to them spending **10 days in London or Florida**.

FUN WITH ENGLISH

THE TEACHERS

Teachers from **the US, Canada, England, the Netherlands** and other countries will communicate with the children in English, but they will bring more than just their language to Wonderland. Through a rich program of activities and events your child will also discover their culture, games, sports, songs and food.

We have prepared a program full of outdoor activities, sports, crazy competitions, music, dance and laughter. We will do lots of adventurous stuff like **sailing on Lake Neusiedler in Austria**, rock-climbing in the Carpathians and exploring the nearby cave. Not to mention a magic show and a possible sleepover in the woods.

THE PROGRAM

CARE & SAFETY

In order to guarantee your child maximum care and safety during their stay at Camp Wonderland, **two adults** will look after each group of 10 (one teacher and one counselor).

The camp is located in a **beautiful forest on the slopes of the Carpathians** near the town of Smolenice, just an hour ride from Bratislava. It has 16 recently-upgraded wooden cottages each with its own bathroom. It accommodates 5 children and a counselor. The area has a dining hall, a building for activities and disco, a playground for ball games and a swimming pool.

ACCOMMODATION
